Training Curricula

Training curricula are designed for the training of early care and education professionals by qualified trainers. Each curriculum stands on its own and has its own educational objectives and handouts. They are simple to use, and the subjects can be taught easily through instructions and suggestions provided in the trainer sheets.

- [**Integrated Pest Management: A Toolkit for Early Care and Education Programs**](#)

This *Integrated Pest Management Toolkit for Early Care and Education Programs* presents practical information about using integrated pest management (IPM) to prevent and manage pest problems in early care and education programs.

The toolkit includes the following:

[**A curriculum booklet, Integrated Pest Management: A Curriculum for Early Care and Education Programs \(pdf; 3.45mb; 44pp\) *New!***](#)

- [Introduction](#)
- [What is integrated pest management \(IPM\)](#)
- [The Healthy Schools Act](#)
- [Pests: What you need to know](#)
- [Pesticides: What you need to know](#)
- [Understanding IPM Practices](#)
- [Implementing IPM in your ECE Program](#)
- [How to hire a pest management professional](#)
- [Glossary](#)
- [Resources](#)
- [Appendices](#)

[**Complementary materials**](#)
