

# March of the Stuffed Animals

**Parade in your PJs and have fun playing with numbers!**

## Here's How it Works:

- ★ Pick a day in March that works for you
- ★ Kids wear their PJs and bring their favorite stuffed animal
- ★ Count up the critters in your own Crazy Creature Census
- ★ Solve fun stuffed animal tangram puzzles
- ★ Read "Snacktime for Fluffy" from the Bedtime Math book
- ★ Kids receive colorful stickers and games to take home

**Register for your free kit of materials  
at [www.bedtimemath.org/stuffed-animals](http://www.bedtimemath.org/stuffed-animals)  
by February 15, 2016.**

**Math will never be the same.**
