The Honorable _____
United States House of Representatives
Washington DC, 20515

Dear Representative _____:

Regarding: Supporting state pre-kindergarten initiatives that work in close collaboration with Head Start

I am a Head Start parent and I support the state pre-kindergarten programs in my community. I am writing because I think it is important for the government to give more funding to programs that focus on pre-kindergarten children. In our community, High School and pre-kindergarten programs work together to provide full day/ full year services to my family.

Sincerely, _____
